Kick off the New Year in Style

The Resolution Ball, now in its 10th year, is the largest New Year's Eve event in Boston and attracts a great crowd of young professionals from across Massachusetts and beyond. The Ellie Fund hosts the prize drawing at the event featuring great gifts that are sure to start your New Year off right! For more information, visit www.bostoneventguide.com

Volunteers Needed

It takes a great team to make a great company and The Ellie Fund needs you! Our "Ellie's Angels" young professionals volunteer committee helps run events and create positive PR throughout the year. We meet every other month on a weeknight in downtown Boston, including light refreshments. If you've got a positive "can-do" attitude and want to help us raise more funds than ever before to help women and families living through breast cancer treatment, email us at julie@elliefund.org for more details.
